**Inter-se-Merit list for PG Ayurved and Homoeopathy 2017**

The list of candidates who have applied for PG Ayurved and PG Homoeopathy is declared.

There are many cases wherein two or more candidates have obtained equal marks in the All India Ayush Post Graduate Entrance Test (AIAPGET) 2017. Their actual merit has to be decided based on the grand total marks obtained by the candidate in the undergraduate programme. If the tie still persists, the candidate with more aggregate marks in the final year of the programme will be considered as meritorious.

As the original mark sheets can be checked only at the time of counseling, the tiebreaker can be checked only on the day of counseling.

Any dispute on the issue of tiebreaker, the decision of the University is final and binding.
