THE WIZARD *of Hope*

IF THERE WAS A LEGENDARY WIZ OF HOPE, ITS HIM

Hope remains the supreme beacon of life, the panacea for all common persistent problems & trials of life however small or big in size they may be, which one has to encounter. One cannot live without hope. When one keeps hope, he keeps life. However, lighting the candle of hope & to keep it burning and alive with its glaring flames is really an arduous deed at which not all are capable at. Thus, to implant the seeds of divine hope in human heart in divine way, some men directly ascends from Heaven and becomes the torchbearers of hope and symbols of life. This holds true in case of Dr. Patangrao Kadam, who was the wizard of hope, a worker of wonders, a performer of miracles, an innovator, a staunch leader of masses, a colossus in the history of modern education in India, a thinker with the courage of conviction, a philanthropist and above all a man who ruled the hearts of millions.

He was the wizard who with his magic wand instilled hope and spread love and was able to see that there is light despite all of the darkness, good despite of all the evil and happiness despite of all sorrows, scars and bruises life gives from time to time.

Dr. Kadam lived an exemplary life larger than the life itself which indeed deserves to be rejoiced & celebrated. His life chronicles a unique tale of pride and honour, sacrifice and hardship, leadership and challenges, as well as love and the happiness.
