Objective –

The objective of the programme was to upgrade professional competence of the staff.

Methodology- Online lectures and Offline workshop

Outcomes- Learned new teaching and assessment methods

The Dental Education Unit organized the 2nd Batch of 'Basic Course in Educational Methods and Technology' from 18th March 2023 to 5th April 2023. Online lecture as well as offline

workshop was organised for 24 participants of the second batch. The online lectures were conducted on Microsoft Teams.

Dr. Shailesh Lele and Dr. Gauri Lele were the Resource persons for the Programme. A total of 6 online lectures of 2 hours each and a 3- day offline workshop was conducted. The participants were provided with reading material and assignments were given during the course. The teaching abilities of the participants were also assessed. The participants were assessed by students and a feedback was also recorded. Whatsapp Groups and Microsoft teams was used for proper communication during the course.

Various group activities were arranged for the participants during the offline workshop. The participants actively participated in the group activities and shared their views related to the topic.
