**I BHMS Foundation Programme Ac. Yr 2024-25
(2022 Course)**

NCH (2022) has proposed a Foundation Programme as per the new amended syllabus of First year BHMS students. In reference to the allotted topic under the Foundation Programme. A dedicated 10-days exclusive foundation Programme was planned at the beginning of the BHMS course to orient & sensitize the students to various identified areas from 15/11/2024 - 25/11/2024.

Time-10:00 am-05:00pm

Venue: Dr. Samuel Hahnemann Seminar Hall, BVDUHMC, Pune

The foundation programme started from 15th November 2024 as per schedule. On 18th November 2024 induction programme was started by inauguration session, at about 9:30am. The programme was started by an introductory speech by Dr.Vaishali Dolas (General Academic In charge) for students of 2024-25 and parents. Dr Vaishali Dolas elaborated about the goals and objective of foundation program.

The programme began by lighting the lamp and garlanding the statue of Father and Founder of Homoeopathy Dr Samuel Hahnemann and floral tribute to Sarswatidevi with all the dignitaries present on the dice.

Dean faculty of homoeopathy Dr.A.S.Patil spoke about scope of homoeopathy in future & even in the research field.

The I/C Principal Dr. A. R. Mhetre addressed the I BHMS students to the Bharati Vidyapeeth family and gave brief introduction of our founder and Honorable Chancellor Dr. Patangraoji Kadam, Pro Chancellor Dr. Shivajirao Kadam, Vice chancellor Dr. Vivek Saoji, Secretary Dr. Vishwajeet Kadam. Followed by Bharati Vidyapeeth rules and regulations, NCH regulations, Anti-ragging regulations, and information on Homoeopathy & Homoeopathic College staff academic, teaching methods. Timetable, evaluation methods, Local guardian for the students, Hospital OPD IPD rural/urban camps. Also briefed the students and parents about the various research activities, Career guidance, Placement offered by the college. Mentioned about the extra-curricular activities like NSS, cultural, sports, alumni.

Further all faculty members of all the departments gave self-introduction & information about departments.

The parents and students (Alim Sayyed, Satish Nanasaheb Kolpe and Anshara Pathan) expressed their thoughts about the program and institute.

Anchoring of the Foundation programme was done by Dr.Rima Kumar (I BHMS Coordinator)

Vote of thanks was given by Dr. Vishnupriya. S.79 students and 40 parents attended the foundation course induction programme.

Goals: -of the Foundation Programme in homoeopathy include,

- To orient the students to various aspects of Homoeopathic system of medicine.
- To equip the learner with important skills required for going through this professional course & taking care of patients.
- To enhance the communication, language, computer & learning skills.

Objectives:-

- To orient the learner to the medical profession & mission of Homoeopathy in society.

- To enable the learners to appreciate the need to enhance skill in Language, Documentation, Interpersonal relationship & Communication skill.
- To train learners to provide first-aid & emergency management.
