(Management Insights and Network of
Department of Management studies)

International Conference and Doctoral Colloquium

on

Inflection Points in the Changing Business Landscape

In Collaboration with

MINDS 2025 (Management Insights and Network of Department of Management Studies), is a landmark event at DMS that aims to bring together experts, innovators and thought leaders to deliberate on the theme 'Inflection Points in The Changing Business Landscape'. In an era marked by unprecedented technological advancements, this conference and Doctoral Colloquium is a platform to explore how are Inflection points identified and what fundamental changes industries are making to be able to operate, innovate and address pressing global challenges.

Doctoral Colloquium

This is a unique interactive platform designed for PhD, DBA and MPhil students to present their work-in-progress to a wider audience of academics, receive expert comments from a scholarly panel, and to network with fellow doctoral students and academicians. This event will provide a platform to refine the theoretical and methodological foundations of their thesis.

Keynote Presentations | Fireside Chats | Pre- conference Workshop | Interactive Sessions providing Attendees a great chance to Network with 500+ Delegates

Publication Opportunity

The conference extends the opportunity to publish with various **Scopus-indexed, Web-of-Science, UGC Care, ABDC Class** and **EBSCO** journals. However please note, the decision to publish will be based solely on the journal's peer-review process. Academic Processing Charges are applicable as per the Journal's policy. Following is the indicative list of journals:

1. Journal of Information and Optimization Sciences (Indexed in WoS & ABDC)
Conference - Special Issue
ISSN: 0252-2667| E-ISSN: 2169-0103
