

CENTRE FOR INTERNATIONAL STUDIES

BV DU BACKGROUND

It was perhaps the 5-km long walks to the only accessible school, which was in a nearby village that forged a burning desire in the young Dr. Kadam to bring the fruits of education to the hundreds and thousands after him. This led to the birth of Bharati Vidyapeeth in a single room in the erstwhile Pune

Established in 1964, Bharati Vidyapeeth started its journey from a small room in the congested lanes in the old part of Pune city. Far-sighted and hard-working, this young man carried on with his noble mission unabatedly. 'Social Transformation through dynamic education', has been the guiding principle of this enterprising individual, who engineered an educational revolution

in the most formative decades of this nation's history. Critics tried to write it off at one point of time, due to its humble origins, but the Bharati Vidyapeeth establishment defied all stereotypes and is one of the top private universities in the country, today.
