National Oral Pathologist Day was celebrated by the Department of Oral Pathology and Microbiology in Bharati Vidyapeeth (Deemed to be University) Dental College and Hospital, Sangli, on 26th February, 2023. This day is celebrated to remember Dr. H.M Dholakia Sir, who is known as the father of Oral Pathology in India. The event was graced by the presence of Honourable Dr. H.M.Kadam sir (Regional Director of Bharati Medical campus, Sangli), Dr. JeevanAsha Agrawal (Vice principal- academics), Dr. Dilip Magdum (Professor and HOD of Oral Pathology) and Guest speaker Dr. Vaibhav Mane [Professor and Head of Department of General Pathology, Bharati Vidyapeeth (Deemed to be University) Medical College and Hospital, Sangli]

It was the 5th **National Oral Pathologist Day** being celebrated nationwide on occasion of Birth anniversary of respected Dr. H.M. Dholakia, a renowned and first Oral Pathologist in India. He is also the founder of the Oral pathology specialty in India and well known as 'Bhishmapitamah' of Oral Pathology. Dr. Dilip Magdum (Professor & Head of Dept.) briefed about Dr. H. M. Dholakia sir and introduced guest speaker Dr. Vaibhav Mane delivered guest lecture on '**Case Based Insights in Oral Pathology**' To encourage the students to perform better in the subjects of Dental Anatomy and Dental Histology and Oral pathology, the **Distinction holders** of both the subjects were felicitated with certificate of appreciation and a pen. The participants of rangoli and soap carving were given certificate of participation and winners were awarded with certificate of appreciation.

The event was organized by Dr. Dilip Magdum, Dr. Mamata Kamat, Dr. Uma Datar and Dr. Madhuri Sale, faculty of Department of Oral Pathology and Microbiology. Ms. Annapurna Satpute and Ms. Chinmayee Swami were the master of the ceremony. All the HODs and I year and III year students were present for the lecture.
