

1) Techtrix 2016

Tech Trix - 2016 was the Sci-Tech event organized by the Department of Computer Science to display the inculcated talents of the students on 29th December 2016. It has been the tradition of the department to organize such events to boost extra co-curricular activities. Overall 180 students participated in Tech-trix 2016 making it a grand successful event. The event was inaugurated by Principal Dr.K.D. Jadhav at 9.30 a.m.

Ms. Kalyani presented Ganesh Vandana which filled the atmosphere with melodious melancholy. Mrs.S.S.Shukla, Head, Department of Computer Science welcomed Principal Sir, other dignitaries and stated the objective of Techtrix event. On this occasion, Dr.Jadhav Sir guided students and congratulated the members of the department for arranging such fun full events. He wished all the students a bright and rewarding professional career as well as all success in life.

Mrs. Seema Nimbalkar, Engineer(E & TC) was invited as an expert. Following events were organized in the Tech Trix-2016:

- 1) Project Exhibition
- 2) Treasure Hunt
- 3) Salad decoration
- 4) Face Painting
- 5) Poster Making

Some student participants presented solo project developed in various technologies such as Java, .Net, PHP etc. Some notable Electronics project were smoke, fire detector, Mobile charger etc. The efforts of students for project exhibition and projects were appreciated by all. Project exhibition was followed by Poster competition where 20 students participated with posters on the recent topics like Green computing, smart city, android, cloud computing, robotics etc. The students also explained their thoughts and ideas for the poster prepared by them. Salad decoration was the second most popular event among students. Overall 35 entries of beautiful salad were difficult to judge.

Thirteen students participated in face painting event. The theme for face painting were drought, save tigers, beautiful nature, global warming which were beautifully conveyed. The team size for this event was two.

The final event was days most block buster event i.e. Treasure hunt. This was a group event. Around 120 students were participated in this event. Team size of this event was 6 students in each group. Given a starting clue at the start location to all participants, they had to find remaining places according to the clue and reach last clue within the 20 minute. Total 15 clues had to be solved to each group.

Overall, it was a wonderful event and all students enjoyed Tech-Trix 2016 thoroughly.
