

## **TECHTRIX 2024**

TechTrix has always been a cornerstone of our academic calendar, showcasing the brilliance and creativity of our student community in the realm of technology and innovation. This year promises to be no different, with a line up of events and competitions with challenges, inspiring and exhilarating. The Department of Computer Science proudly hosted Techtrix 2024, a flagship event that brought together students, faculty, and industry professionals to celebrate the intersection of technology, innovation, and creativity. Held on March 5th, 2024, Techtrix aimed to showcase the talents of students, foster collaboration and inspire the next generation of leaders in the field of Computer Science and technology. Overall 188 students participated in TechTrix 2024 making it a grand successful event.

The event was inaugurated at the hands of Mr. Ratnesh Kumar, CTO Chirpn IT solutions Pvt. Ltd, Pune and Presided by the Incharge Principal Prof.(Dr.)V.A.Rankhambe .

At the outset, a tribute was paid to Founder Hon.Dr. Patangrao Kadam. Dr.Mrs.S.S.Shukla, Head, Department of Computer Science welcomed Mr. Ratnesh Kumar, Incharge Principal, Prof.(Dr) V.A.Rankhambe, Vice-Principal's Dr.G.V.Mali and Dr.S.S.Patil, Head of the departments , faculty members and students and stated the objective of TechTrix event. Mr. Ratnesh Kumar also the alumni of the department guided the students about the job opportunities and recent trends in technology. In his speech he said that commitment to excellence is a testament to ones potential to become the innovators and leaders of tomorrow. Also that innovation knows no bounds and the only limit to what you can achieve is the extent of your imagination He had a dialogue with the students answering all their queries. In his presidential address, the Incharge Principal Dr.Rankhambe guided students and congratulated the members of the department for arranging an event Techtrix 2024 which stimulates the creativity of the students. He also encouraged all the students to embrace this opportunity wholeheartedly. He appealed to use this platform to showcase talents and forge new connections that will their shape academic and professional journey. He wished all the students a bright and rewarding professional career as well as all success in life.

The following events were conducted in the Techtrix 2024:

- Coding competition
- IT Quiz
- Gaming competition
- Chess tournaments
- Reels and photography
- Poster making
- Food festival

The coding competition attracted aspiring programmers from across disciplines, challenging them to solve real-world problems using their coding skills. Participants showcased their ability to think critically, work under pressure, and develop efficient algorithms to tackle complex challenges. The IT quiz tested participants' knowledge of information technology, covering topics ranging from programming languages and software development to emerging technologies and cyber security. It provided a platform for students to demonstrate their expertise and stay abreast of the latest trends in the field.

Gaming enthusiasts battled it out in adrenaline-fueled gaming competitions, competing in popular titles across various genres. The gaming arena buzzed with excitement as participants showcased their gaming prowess, strategic thinking, and teamwork. The chess tournament brought together strategic minds for intense battles on the chessboard. Participants engaged in mind-bending matches, demonstrating their strategic thinking, foresight, and tactical prowess. Even the faculty actively participated in this event

The reels and photography contests provided a creative outlet for students to express themselves through visual storytelling. Participants captured moments that reflected the theme of technology and innovation, showcasing their artistic talent and unique perspectives. The poster-making competition challenged participants to visually depict concepts related to technology, society, and the future. Participants unleashed their creativity, combining imagery, graphics, and text to create compelling posters that conveyed powerful messages. Amidst the excitement of competitions, participants and spectators indulged in a gastronomic delight at the food festival. The festival offered a diverse array of culinary delights, ranging from street food favourites to gourmet treats, catering to diverse tastes and preferences.

Techtrix 2024 was a resounding success, with the dedication and hard work of Mrs. Jayshree Ghadge and Dr. Yogita Bhapkar; faculty mentors, and enthusiastic participation from students. The event provided a platform for students to showcase their talents, collaborate with peers, and engage with industry professionals. As the Department of Computer Science looks forward to future editions of Techtrix, it remains committed to nurturing creativity, innovation, and excellence in the field of technology.

Dr.Mrs.Supriya S.Shukla  
Head, Department of Computer science

➤ Following is the list of winners in the various events.

<b>Name of the Event</b>	<b>Rank</b>	<b>Name of the winner</b>	<b>Class</b>
<b>Chess</b>	First	Rohan Ubhe	11 <sup>th</sup> Science
	Second	Mihir Ambawde	M.A (English)
<b>Insta reel</b>	First	Mansi Zhodage	T.Y B.Sc.(Microbiology)
	Second	Varshita Paritkar	S.Y B.Sc.(Computer Science)
<b>Coding Programing : (C++)</b>	First	Pratima Palande	M.Sc.(Computer Science)
<b>Coding Programing : 'C' Programming</b>	First	Sakshi Rawat	F.Y B.Sc.(Computer Science)
	Second	Karan Tonde	F.Y B.Sc.(Computer Science)

<b>10-Min Photography</b>	First	Arjun Baroi	T.Y BA
	Second	Vijay Chouhan	T.Y B.Sc.(Computer Science)
<b>IT-Quiz</b>	First	Sushil Yeole	F.Y B.Sc.(Computer Science)
	Second	Tejas Jaynagarkar	T.Y B.Sc.(Computer Science)
<b>Food Festival</b>	First	Omkar Shelke	F.Y B.Sc.(Computer Science)
	Second	Pallavi Pawar	M.Sc.(Computer Science)
<b>Drawing</b>	First	Rushikesh Tidke	S.Y B.Sc
	Second	Manav Kharatmal	11 <sup>th</sup> Science
<b>Digital Gaming</b>	First	Team 7S Leader:-Aryan Bhilare)	S.Y B.Sc.(Computer Science)
	Second	Team JOD Leader:-Bhagwat Surnar	T.Y B.Sc.(Computer Science)
