

# **RCI -CRE for Interdisciplinary team members**

## **Identification and Early Intervention of Communication Disorders.**

**(Reg No.CRE-24021011215090)**

18<sup>th</sup> March and 19<sup>th</sup> March 2024

Two days RCI approved CRE was conducted on 18<sup>th</sup> & 19<sup>th</sup> March 2024. Aim of the CRE was to empower rehabilitation professional for early identification and rehabilitation of children with speech, language, hearing, literacy and swallowing difficulties. Specific objectives of the program was to impart knowledge about recent advances in the field and create awareness about the different assessment tools developed in regional languages for children with hearing, speech and language disorders. Newly devised assessment and management tools for children with literacy and swallowing disorders was discussed as a part of this CRE. The CRE educated rehabilitation professionals such as clinical psychologist and Special educators, Audiologist & Speech Language Pathologist (ASLP) and assistant to ASLP regarding the assessment & management options available for children with speech language & swallowing & hearing problems. There was also an exhibition and demonstration of the devices available for rehabilitation of children with speech, language and hearing problems to provide firsthand experience on different parts of cochlear implant, hearing aids and AAC. A copy of the program schedule is attached as Annexure1.

A total 53 professionals participated in the CRE. Out of 53 participants, 51 participants scored more than 70 % in post CRE test results. All the CRE participants rated the overall program as 'very Good' and expressed their desire to participate in more such CRE conducted in future by Bharati Vidyapeeth (Deemed to be University) School of Audiology & Speech Language Pathology.

## Name & Particulars of all Resource Persons

Dr. Sharada Sarda ( Prof & HOD, Audiology) delivering a lecture on ‘Importance of early identification & rehabilitation of communication disorders in children’.

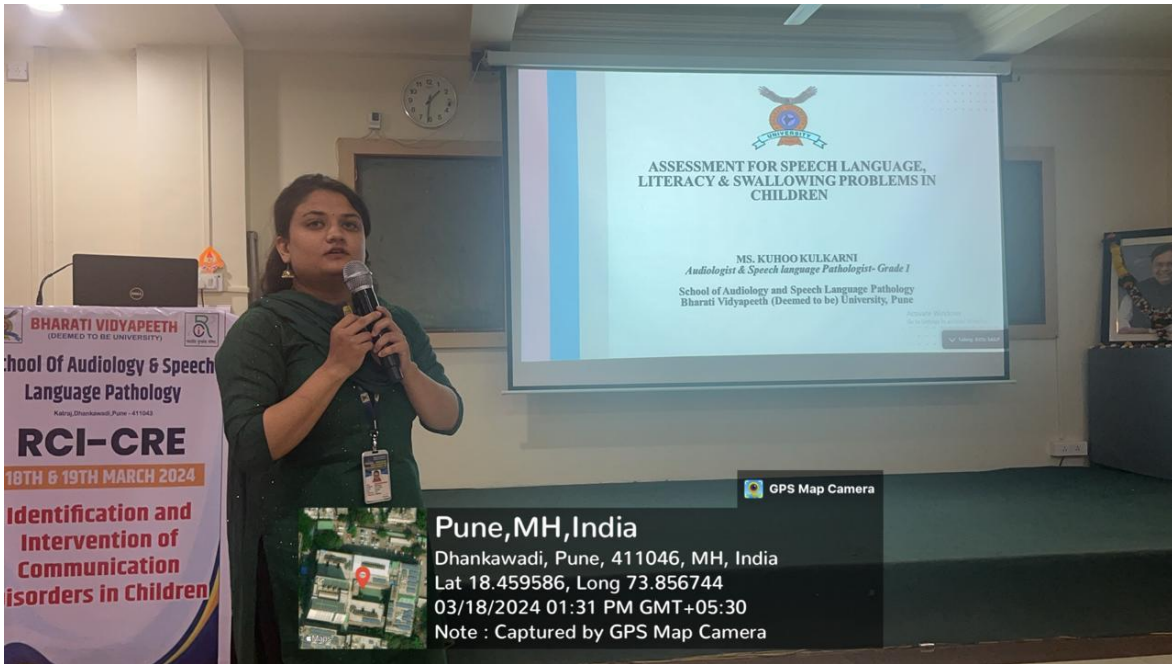

Dr. Piyush Sone (Asso. Prof, SASLP) delivering a lecture on 'Communication disorders in children'.

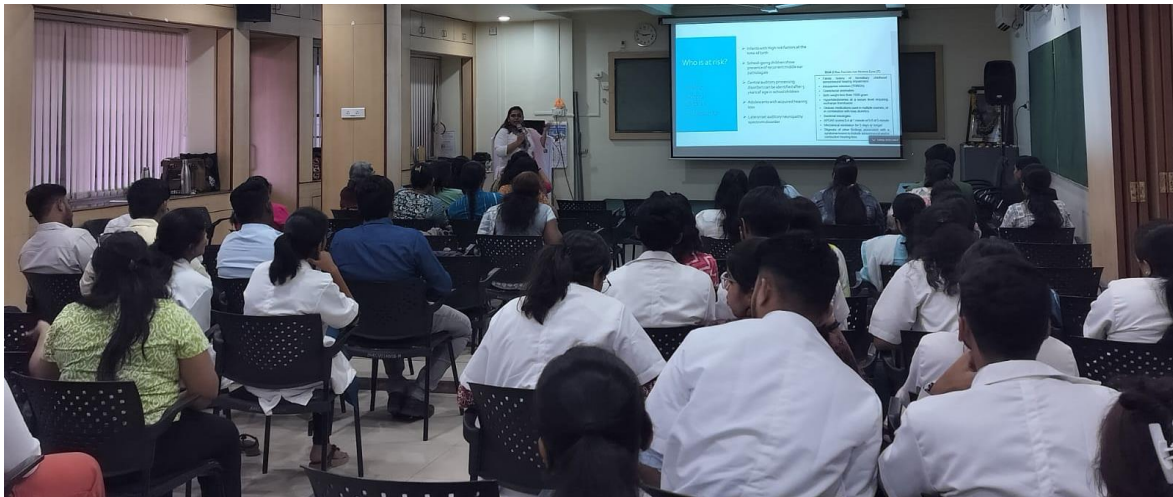

Ms. Mansi Karnad (Asst Prof, SASLP) delivering a lecture on 'Screening of Speech Language, Literacy & swallowing problems in children'.

Ms. Kuhoo Kulkarni (ASLP Grade I, SASLP) delivering a lecture on 'Assessment for Speech Language, Literacy & swallowing problems in children'

Ms Rucha Vivek, Asst Prof, SASLP, delivering a lecture on 'Screening and assessment for hearing loss in children'

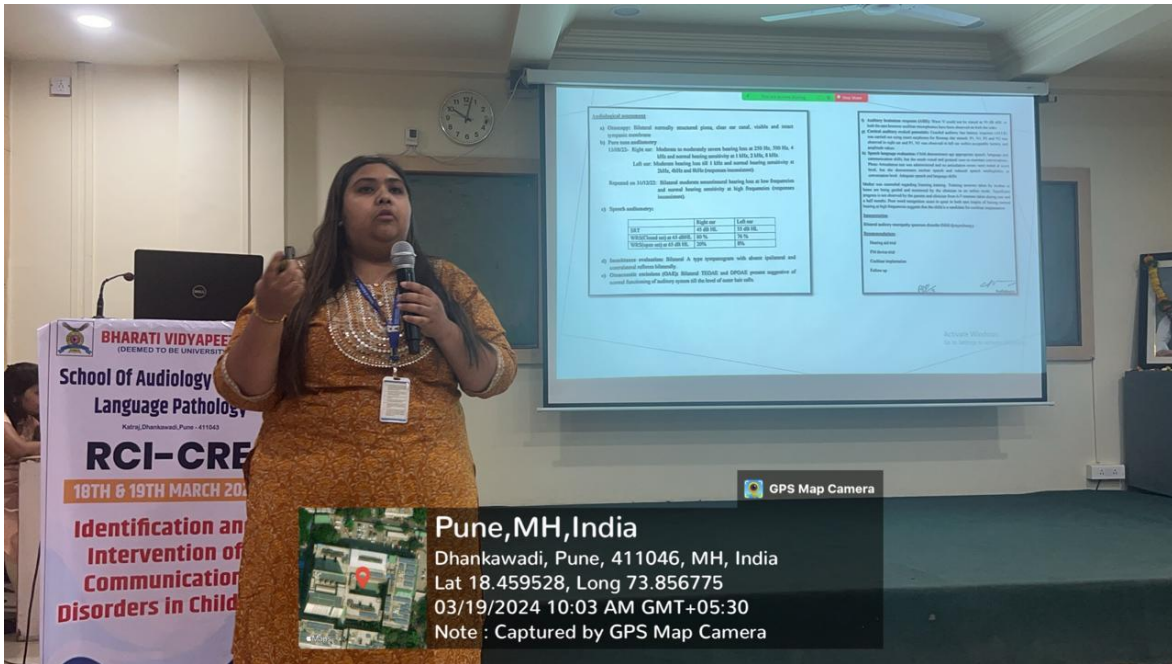

Ms Priya Kapoor (Asst Prof, SASLP) delivering a lecture on Understanding Speech Language, Literacy & Swallowing assessment reports through case studies

**Day 2, 19<sup>th</sup> March 2024**

Ms. Kristi Kaveri Dutta (Asst Prof, SASLP) delivering a lecture on 'Understanding Audiological assessment report through case studies'

Ms. Shweta Deshpande (Asst Prof, SASLP) delivering a lecture on 'Audiological Management of hearing loss in children'

Ms. Trupti Bhawe (Special Educator & AVT Therapist, SASLP) delivering a lecture on 'Role of special educator in Management of hearing loss in children'.

Dr. Aarti Waknis (Prof & Vice-Principal, SASLP) delivering a lecture on 'Management of speech language, Literacy & Swallowing problems in children with special consideration in school'.

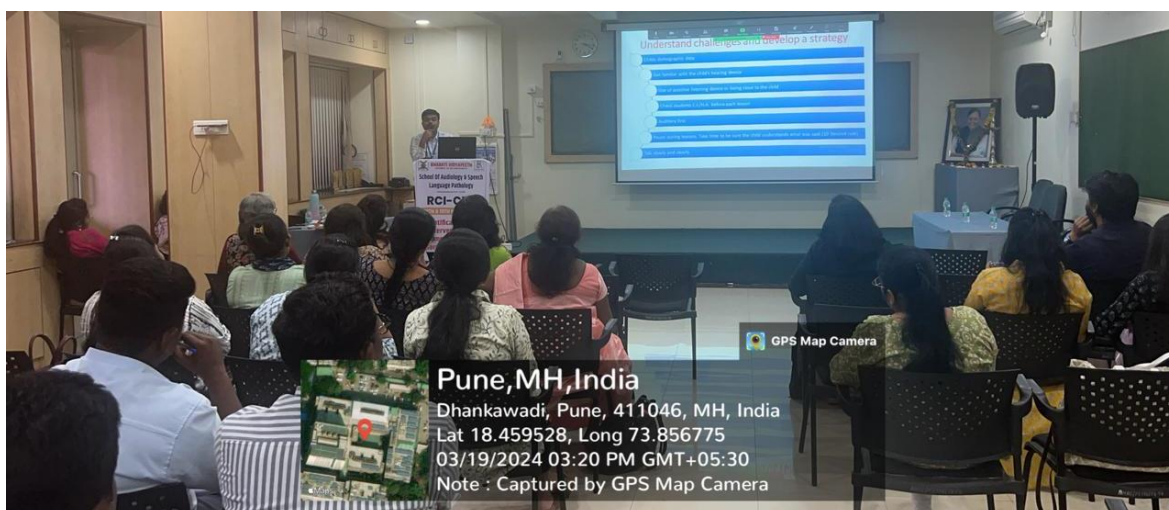

Ms. Mansi Karnad (Asst Prof, SASLP) delivering a lecture on Management of speech language, Literacy & Swallowing problems in children with special consideration in school

Mr.Sachin Jadhav (Special Educator & AVT Therapist, SASLP) delivering a lecture on Management strategies in school for children receiving significant listening benefits from hearing aid/cochlear implant & children receiving limited listening benefits

Ms. Prajakta Kshirsagar (Special Educators) delivering a lecture on Management strategies in school for children receiving significant listening benefits from hearing aid/cochlear implant & children receiving limited listening benefits

## **Program Schedule**

<b>Day and date</b>	<b>Time</b>	<b>Topic of presentation</b>	<b>Speakers</b>
18 <sup>th</sup> March, Monday	9.30 to 10.30 am	Importance of early identification & rehabilitation of communication disorders in children	Dr. Sharda Sarda Professor & HOD BV(DU) School of Audiology & Speech Language Pathology RCI No: A09143
	10.30 to 11.30 am	Communication disorders in children	Dr. Piyush Sone Associate Professor BV(DU) School of Audiology & Speech Language Pathology RCI No: A21907
	11.30 to 12.30 pm	Screening of Speech Language, Literacy & swallowing problems in children	Ms. Mansi K Assistant Professor BV(DU) School of Audiology & Speech Language Pathology RCI No: A56484
	<b>LUNCH BREAK</b>		
	1.30 to 2.30 pm	Assessment for Speech Language, Literacy & swallowing problems in children	Ms. Kuhoo Kulkarni ASLP Grade I BV(DU) School of Audiology & Speech Language Pathology RCI No: A67009
	2.30 to 3.30 pm	Screening and assessment for hearing loss in children	Rucha Vivek Assistant Professor BV(DU) School of Audiology & Speech Language Pathology RCI No: A52316
	3.30 to 4.30 pm	Understanding Speech Language,	Ms. Priya Kapoor

		Literacy & Swallowing assessment reports through case studies	Assistant Professor BV(DU) School of Audiology & Speech Language Pathology RCI No: A34546 & Ms. Kuhoo Kulkarni ASLP Grade I BV(DU) School of Audiology & Speech Language Pathology RCI No: A67009
<b>DAY 2</b>			
19/3/24, Tuesday	9.30 to 10.30 am	Understanding Audiological assessment report through case studies	Ms. Kristi Kaveri Datta Assistant Professor BV(DU) School of Audiology & Speech Language Pathology Madhuri B, ASLP Grade I BV(DU) School of Audiology & Speech Language Pathology RCI No: A55580
	10.30 to 11.30 am	Audiological Management of hearing loss in children	Ms. Shweta Deshpande Assistant Professor BV(DU) School of Audiology & Speech Language Pathology RCI No: A07063
	11.30 TO 12.30 pm	Role of special educator in Management of hearing loss in children	Ms. Trupti Bhawe Special Educator & AVT Therapist BV(DU) School of Audiology & Speech

			Language Pathology RCI No: A07607
<b>LUNCH TIME</b>			
	1.30 to 2.30 pm	Management of speech language, Literacy & Swallowing problems in children with special consideration in school	Aarti Wanknis Professor & Vice Principal BV(DU) School of Audiology & Speech Language Pathology RCI No: A05117  Ms. Mansi Karnad Assistant Professor BV(DU) School of Audiology & Speech Language Pathology RCI No: A56484
	2.30 to 3.30 pm	Management strategies in school for children receiving significant listening benefits from hearing aid/cochlear implant & children receiving limited listening benefits	Mr. Sachin Jadhav Special Educator & Auditory Verbal Therapist BV(DU) School of Audiology & Speech Language Pathology RCI No: A74993 & Prajakata Kshirsagr Special Educator BV(DU) School of Audiology & Speech Language Pathology RCI No: A46979
	3.30 to 4.30	Demo of different types of hearing aids and cochlear implants, AAC	LISA Ms. Lisa Pulikunnel ASLP Grade I BV(DU) School of Audiology & Speech Language Pathology RCI No: A70922  Ms Mansi Karnad Assistant Professor BV(DU) School of Audiology & Speech Language Pathology RCI No: A56484
