

3.1.5 University has the following facilities

2. Animal House

REPORT OF ANIMAL HOUSE

Animal House is considered to be the important part of the Educational campus as it supports the research activity and enhances learning.

It helps in developing and testing newer medicines, antibiotics, the effects of certain drugs and immunizations, also performing surgeries. It aids in educating the students in medicine, surgery, pharmacy and other related fields.

Bharati Vidyapeeth (Deemed to be University), Educational campus, Sangli has an Animal House and the facility is made available in the premises itself. It is well established and was formed in the year 2006. This facility is developed under the guidance of Department of Pharmacology.

The various departments available in the Animal House are:

Incharge Office, Experimental room, Separate animal rooms of Rats and Mice (Male and Female), Breeding Room, Operation room.
