

3.6.4 EXTENSION & OUTREACH ACTIVITIES

2020-2021

At the crucial moment of Corona Pandemic the teachers and students of BVDU, College of Nursing, Sangli helped the RTO's of Sangli district to manage the crowd during lockdown. The helping hand and support during this phase was greatly appreciated by the police.

Comorbidity survey was conducted by staff and students who checked the vitals at door to door and assisted the people to seek medical help if necessary.

Cleaning of PHC Centre at Sangliwadi was done and insecticide was sprayed at the premises.

Mental Health Day:- Theme-- Health For All: Greater Investment Greater Access, for Everyone Everywhere.

The Day was celebrated by conducting virtual interaction with COVID19 affected individuals at Bharati Hospital Sangli and the public who had access to the link.
