PERSPECTIVE PLAN 2021-2026

The role of Internal Quality Assurance Cell (IQAC) of an institution is crucial in maintaining momentum of quality consciousness in the institution. NAAC and UGC assign the responsibility on IQAC for planning, guiding and monitoring Quality Assurance (QA) and Quality Enhancement (QE) activities of the institution. With this background, the IQAC of the college has undertaken the task of designing a Perspective Plan for a period of five years commencing from Academic Year 2021-22 to Academic Year 2025-26 for a balance growth of the college. The Quality Indicators of different criteria determined by NAAC have been taken into consideration as the base to create Quality Radars and to make out milestones for the future. In the preparation of the Perspective Plan, the IQAC of the college has taken initiatives to obtain inputs for all stakeholders namely, the Governing Body, the faculties, the students of the college, the Parents and all other stakeholders. The stakeholders' expectations, management policies, vision and mission of the college are also considered as a base for the formation of the Perspective Plan. The present Perspective Plan principally based on:

1. The NAAC guidelines for ensuring quality aspects in the higher education.
2. To increase international research collaborations and secure intellectual property rights through patents, copyrights, and designs along with Inter- disciplinary research work and Industry- Academia linkages
3. Curriculum enrichment through various value added courses, making it skill based.
4. NEP Preparedness of the College and Societal expectations from the college
5. Extensive ICT facilities and its usage.
6. Facilitating e-content development and mobilizing more facilities towards digital library
7. Working on opportunities for Student Scholarships as well as building various Student Leadership/ Entrepreneurship Programmes.

For effective deployment and monitoring the college plans to digitalize various activities, which are generally undertaken by the college. This will enable the college to take stock of the accomplishments and to relook into the action plans. We hope this will facilitate the college to realign the road map to reach the expectations of stake holders. Overall growth of the College on the Curricular Aspects, Teaching, Learning and Evaluation, Research, Innovations and Extension, Infrastructure and Learning Resources, Student Support Schemes, Academic Governance, Leadership and Management keeping strong Institutional values and Best practices.
