Amandeep Singh (BCA): I immersed myself in a comprehensive curriculum that covered a range of subjects from programming languages to database management. Engaging in hands-on projects and practical assignments allowed me to apply theoretical knowledge to real-world scenarios, honing my problem-solving skills. Moreover, the college has not only helped me to gain practical or theoretical knowledge but also various life values, confidence, leadership skills, and managerial skills that will help me in the long term. BVIMR emphasizes on discipline that will be required to cope with this life journey. My college made me ready to deal with all the stress that I may face in the future and trained me to work hard in all scenarios. Lastly but most importantly, the teachers here in this college are so understanding and helpful. They are always ready to help you and clear your doubts as well as motivate you. I may conclude by saying that this college has made me improve as a human being and prepared me for all the hardships that I will face on the way to achieving my dreams.

ALUMNI SPEAKS

At BVIMR, I opted for the MBA program with a specialization in Marketing and Finance. It was a fantastic 2 years spent absorbing so much that was all around me in the classroom and outside. The stellar faculty and track record were a clear attraction and I can say I was not disappointed in any way. I had about 5 years of experience in the hospitality & real estate industry before I came to BVIMR for my MBA. Subsequently, my focus and interest in Marketing gave me an opportunity to start a fresh career in the IT industry post-MBA. Today I work with Imtac India as Regional Manager of North India taking care of Government relationships and projects.

Tushar Jindal, Imtac India

Attending Dept. of Law, BVIMR has been a rewarding experience for me as it has equipped me with the knowledge and skills necessary to pursue a successful career in law. The professors at this college are highly knowledgeable and supportive, always going above and beyond to ensure that we comprehend the complexities of the legal world. They have played an instrumental role in shaping my understanding of various legal concepts and their practical applications. Because of the education and the confidence I have gained from this prestigious college, I am able to start my own law firm 'NyayNiti' based in Lajpat Nagar and within some years of experience got the opportunity to appear before the Chief justice of India in various cases.

Advocate Shubham Kumar, Supreme Court of India

My BBA LLB educational journey at BVIMR Law College proved to be an enriching and transformative experience, laying a strong foundation for my legal career. The unwavering dedication of the faculty to excellence and their constant support throughout my academic journey served as a powerful inspiration for me to push my limits and strive for greatness. The tireless efforts of the Law Placement Cell in connecting students with promising career prospects played a pivotal role in my successful trajectory.

Advocate Apoorv Bansal, Delhi High Court

Pursuing BCA from BVIMR provided me with the perfect blend of theoretical knowledge and practical skills. The dedicated faculty, industry-relevant curriculum and emphasis on practical learning allowed me to gain real-world experience in the competitive field of Computer Applications. The institution provided an inspiring environment that encourages creativity and innovation. The ever-supportive faculty and peer community constantly motivated me to push my boundaries and think out of the box which made my academic journey enjoyable and enriching. I am forever grateful to be associated with such a prestigious institution and the opportunities it has opened for me.

Shubham Agarwal, Jio Platforms Limited

The Institute aims at enhancing our knowledge, skills and abilities. These years at BVIMR are the best years, concerning learning, experience and gaining exposure to fields relevant to my discipline, all due to my faculty member. At last, thanks to the Institute and Training and Placement Department for their continuous efforts in getting me placed in one of the top AMC (UTI).

Surbhi Parmar, UTI Mutual Funds

Hey everyone, Ojasvie Joshi here from batch 2021-2023, I opted for marketing and operations management.
