

BHARATI VIDYAPEETH
(Deemed to be University)
Accredited with 'A+' Grade (2017) by NAAC
DENTAL COLLEGE AND HOSPITAL, SANGLI

A)

1. Title of the practice:- Case Presentation Programme

2. Objective of the Practice

- i. The case presentation programme is regularly organized every 6 months to provide a platform to our postgraduate students to present their cases.
- ii. It provides an opportunity to discuss & take views from various dental specialities regarding the case for multidisciplinary approach in the best interest of our patients.

3. The Context

Clinical case reports play a vital role in dental education. They also have been redefining health care practices. Preparation & presentation of challenging case report aids in honing clinical skills pertaining to diagnosis & treatment management. Interactive discussion with other specialities complete overview & approach for managing difficult cases.

4. The Practice

Case presentation programme is organized every 6 months with prior notice. All the Postgraduate students are encouraged to participate in it. It is an inter departmental activity, where PGs from all specialities present their cases based on predetermined guidelines. All the judges & scores are given to select 3 best case reports.

5. Evidence of Success

Exposure provided through this CP programme has helped the participants to build up their confidence, expand their knowledge & improve communication skills. This event is regularly being successfully organized after every six months.

6. Problems encountered and resources required

Lack of funds to host such inter-institutional activities.

B)

1. Title of the practice: EBSCO data base training workshop

2. Objective of the Practice

To provide practical training to PGs & faculty to use EBSCO e-library to download articles & report which is an important part of PG teaching & learning.

3. The Context

Since Literature search is an important as per PG curriculums, such workshop is conducted to help our students & provide them with practical hands on experience. Accessing online articles & report are essential for preparation of seminars & Journal clubs. It is also required for research work. Hence, such workshops are extremely beneficial to students.

Practical hands-on demonstration on accessing database is carried out. The trainer helps the students to familiarize themselves with database usage & clarifies their doubts if any.

4. The Practice

A trainer & support representative from EBSCO is invited to talk about resources, search strategies databases, academic e Books collection & means to access them.

5. Evidence of Success

Students have expressed their satisfaction verbally that these workshops have simplified their task of literature study by providing easy access to many resources.

6. Problems encountered and resources required

Though it has considerably reduced the difficulty in accessing online scientific resources it does not provide complete range of journals & e-books required for PG programme.
