BCA 2018 Program: Attainment of Program Outcomes (POs) Abhijeetdada Kadam Institute of Management and Social Sciences, Solapur: 2020 Cohort

Program Outcome Code	Domain	Program Outcome Statement Our graduates
PO 1	Computational Knowledge	Understand and apply mathematical foundation, computing and domain knowledge for the conceptualization of computing models from defined problems.
PO 2	Problem Analysis	Identify, critically analyze and formulate complex computing problems using fundamentals of computer science and application domains.
PO 3	Design / Development of Solutions	Transform complex business scenarios and contemporary issues into problems, investigate, understand and propose integrated solutions using emerging technologies.
PO 4	Conduct Investigations of Complex	Devise and conduct experiments, interpret data and provide well informed conclusions.
PO 5	Modern Tool Usage	Select modern computing tools, skills and techniques necessary for innovative software solutions.
PO 6	Professional Ethics	Apply and commit professional ethics and cyber regulations in a global economic environment.
PO 7	Life-long Learning	Recognize the need for and develop the ability to engage in continuous learning as a computing professional.
PO 8	Project Management	Understand management and computing principles with computing knowledge to manage projects in multidisciplinary environments.
PO 9	Communication Efficacy	Communicate effectively with the computing community as well as society by being able to comprehend effective documentations and presentations.
PO 10	Societal & Environmental Concern	Recognize economical, environmental, social, health, legal, ethical issues involved in the use of computer technology and other consequential responsibilities relevant to professional practice.
PO 11	Individual & Team Work	Work as a member or leader in diverse teams in multidisciplinary environment.
PO 12	Innovation & Entrepreneurship	Identify opportunities, entrepreneurship vision and use of innovative ideas to create value and wealth for the betterment of the individual and society.
