REPORT ON FITNESS CAMP

A fitness camp was organized in Lake Vista society for all the students and society people to spread awareness about fitness and maintaining a healthy life. The program started at 8 a.m. with the introductory speech given teacher in-charge. By 9 a.m. we were all asked to make a line and get our height and weight checked to calculate BMI (body mass index) which explains whether the person is unhealthy or not. All the society members were advised some type of food and exercises by the fitness expert to maintain a healthy lifestyle. Almost 150 students and society members participated in the fitness camp. Every society should organize these kind of campaigns to ensure healthy environment in their society. Society present and other members appreciated the colleges for the fitness camp and also assure us to invite us for taking further event like this.
