Details of the Activity with Photographs

Objective

The mime aimed to raise awareness about violence against women and educate the audience on prevention strategies. It was designed to engage and inform both students and staff about recognizing, preventing, and responding to various forms of violence against women.

Introduction

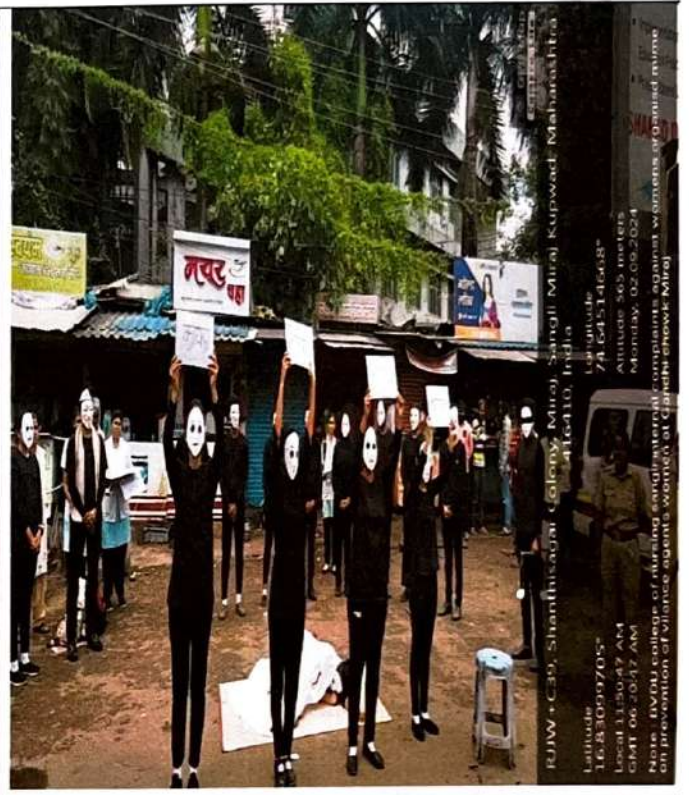

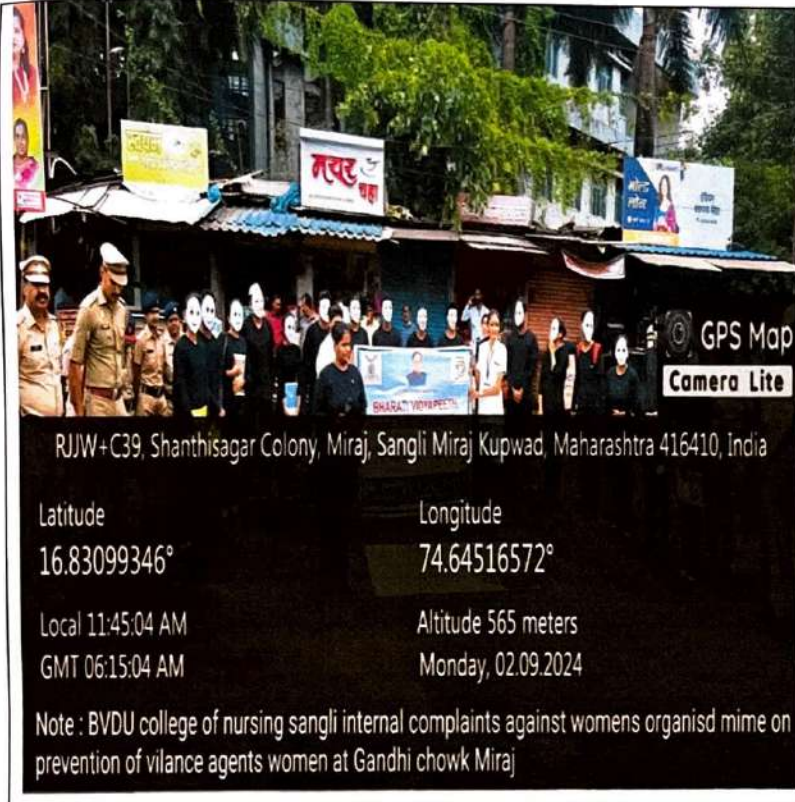

Under the guidance of three faculty the skit was performed by a group of nursing students from BVDU Nursing College. 18 students and 3 faculty members participated in the event enthusiastically. The performance highlighted key issues related to violence against women, including domestic violence, sexual harassment, and emotional abuse. It also provided practical advice on seeking help and supporting victims. Students demonstrated Self Defence technique to the audience.

Conclusion

The mime ended with a call to action, encouraging audience members to support victims, challenge abusive behaviors, and educate others about prevention.
