

Overview of IQAC and NAAC Committees

At Bharati Vidyapeeth Dental College and Hospital, Navi Mumbai, we are dedicated to continuous improvement and quality enhancement, guided by the efforts of our **Internal Quality Assurance Cell (IQAC)** and **NAAC Committee**. These bodies play a pivotal role in ensuring academic and administrative excellence, aligning with the standards set by the National Assessment and Accreditation Council (NAAC).

The **IQAC Cell** is committed to fostering a culture of quality by developing and applying internal standards for all aspects of the institution. The IQAC ensures that teaching, research, and governance processes are efficient and meet the highest educational benchmarks. Equipped with a dedicated **air-conditioned IQAC room**, our team works in a comfortable and well-resourced environment. The room includes **two computers, two printers, and a smart board** to facilitate seamless operations and presentations. All NAAC coordinators collaborate here to streamline the college's accreditation processes.

The **NAAC Cell** works closely with IQAC to prepare for accreditation and maintain compliance with the evolving standards of quality assurance in higher education. The cell's activities involve the preparation of reports, data collection, and coordination with various departments to

ensure that all institutional practices reflect excellence. A **designated clerk** is assigned to assist in managing the documentation and administrative tasks required by both the IQAC and NAAC teams.

With the support of modern facilities and dedicated staff, both committees play a crucial role in upholding and advancing the institutional mission of quality education and continual improvement.
