

## Criteria 5: Student Support and Progression

We are committed to **holistic student development**, offering extensive **support services** such as **mentorship programs**, **career guidance**, and **scholarships**. By regularly tracking **student progression** and offering numerous **extracurricular activities**, we ensure that students are prepared for both academic success and life beyond the classroom.

**Importance:** Supporting students throughout their academic journey fosters retention, success, and personal development, ensuring they graduate with the skills and confidence needed for their careers.

### CRITERIA 5

One of our best practices believes in having student-centric policies and systems

#### Secure Environment

- Student Support system
- Mentor- Mentee system
- Psychologist

STUDENT SUPPORT  
AND PROGRESSION

Our institution recognizes the importance of a secure and inclusive environment where students feel safe, supported, and encouraged to reach their highest potential. The following initiatives under **\*\*Criteria 5\*\*** are designed to ensure a holistic and nurturing experience for every student.

#### 1. Secure Environment:

At Bharati Vidyapeeth, the safety and security of our students are paramount. We've created a structured and robust support framework that addresses both personal and academic challenges. Our **\*\*Student Support System\*\*** ensures that every student has access to the resources they need, whether it's academic guidance or personal advice. The **\*\*Mentor-Mentee System\*\*** pairs students with experienced faculty, offering tailored mentorship throughout their academic journey. This one-on-one interaction creates a bond of trust and guidance that plays a crucial role in their personal and professional development.

Understanding the pressures that come with academic life, we offer on-campus psychological support, providing students with access to a **Psychologist** to help them manage mental health and well-being. Our **Anti-Ragging Committee** actively works to ensure a ragging-free campus, promoting a culture of respect and camaraderie among students. Additionally, the **Grievance Committee** provides a transparent mechanism for addressing any issues faced by students, ensuring that their voices are heard and concerns addressed swiftly.

In keeping with our commitment to gender equality and safety, we have established the Internal Complaints/Women Empowerment Committee, dedicated to fostering a campus where everyone feels respected and empowered. This committee works actively to ensure that gender-specific issues are addressed with sensitivity and fairness.

## 2. All-Round Development:

At Bharati Vidyapeeth Dental College, education goes beyond the classroom. We are committed to the all-around development of our students, encouraging them to explore and excel in various extracurricular activities.

### SPORTS EVENTS

58

### SPORTS AND CULTURAL AWARDS

63

Our students frequently compete at the local, state, and national levels, bringing home prizes in sports and cultural events. The annual sports and cultural events hosted by the college are key highlights of the academic calendar, fostering a spirit of healthy competition and creative expression.

STUDENT SUPPORT AND PROGRESSION

To further promote leadership and teamwork, students have the opportunity to be part of the Student Council and engage in community service through the Rotaract Club. These platforms provide hands-on experience in leadership, responsibility, and social service, allowing students to give back to society while honing their skills.

Celebrating and Beyond

64

We also celebrate excellence through the Best Student Award, recognizing students who demonstrate exceptional academic performance and leadership. Our focus on holistic development is reinforced through initiatives like NSS (National Service Scheme) and Yoga, which promote physical well-being and social responsibility.

### 3. Notable Alumni:

The success of our alumni is a testament to the quality of education and support provided at Bharati Vidyapeeth. Our graduates have gone on to achieve remarkable feats, with many pursuing higher education at prestigious institutions worldwide. Whether it's gaining admission to foreign universities or specializing in allied fields of dentistry, our alumni are known for their innovation and expertise in their chosen paths. We take pride in our Registered Alumni Association, which keeps our alumni connected and fosters a sense of community long after they leave the campus.
