### Brief Biography:

An enthusiast in cutting-edge technology, Ar. Vikram Shah, began his architectural journey in 2007 after completing his B. Arch. He started his career with renowned architect Christopher Benninger in Pune, focusing primarily on institutional projects. His career trajectory then led him to work with notable architects like Ar. Bimal Patel in Ahmedabad and Ar. Iqbal Chaney in Pune. Seeking broader horizons, he gained valuable experience working as an architect and project manager in the Gulf region, including Dubai, Abu Dhabi, and Muscat, Oman.

Driven by a keen interest in technology and a strong proficiency in architectural software, Ar. Vikram Shah pursued a Master's in Computer Applications in Architecture from SPPU. Currently, he is advancing his expertise further by pursuing a Ph.D. in Architecture from Amity University, Mumbai, focusing on the 'Application of Artificial Intelligence in Architecture.'

Balancing both practice and academia, Ar. Vikram Shah specializes in Parametric Architectural Design, Digital Architecture, Digital Tools and Advanced Software in Architecture, and Artificial Intelligence. His passion for technology continues to shape his contributions to the field of architecture.
