Notice - Conduct of University Examinations - Winter 2020

The Winter 2020 examinations of the B.Tech and M.Tech programmes will be held through offline mode at the college campus and will commence from 17th March 2021 (both theory and practicals).

The students are requested to visit the website to view the timetable of the examination. Students must fill the examination form and pay examination fees through online mode. Students should contact the college for the last date of filling up of the examination form.

The classroom teaching will commence immediately after the conduct of the theory examinations.
