Notice-University Examinations for final year Students – Reschedule

September 14, 2020

The final year University examinations are currently being conducted through the remote proctored online MCQ based mode. The University may re-conduct examination of some subjects where students may have faced difficulty in attempting the examinations due to technical reasons. Depending on the grievance, the University may re-conduct the examinations of the subjects.

Students will have to contact the following coordinators before 30th September 2020 and provide information:
