

## **Examination Form Filling Process and Timetable for Winter 2020 Season**

The Timetable of the examinations of the programmes to be conducted for Winter 2020 Season are being finalized and will be uploaded on the University Website from time to time. All the students are requested to visit the website frequently to get the updates. Please note that examination form filling process for Winter 2020 has begun and the students whose Summer 2020 exams are over and their results are declared should fill the examination form for Winter 2020 immediately. For the backlog students whose examinations are being conducted and whose results are awaited may fill the examination form after receiving the results.
